Trailer Theft from Copper Mountain Middle School

HERRIMAN, Utah

On Friday, March 19th, at approximately 1:30am, an enclosed trailer containing rugby equipment was stolen from Copper Mountain Middle School. Surveillance video from the school captured the trailer theft and the involved suspect vehicle. The suspect vehicle appeared to be a mid-size SUV, white in color. The value of the trailer and stolen equipment was valued at $12,000.

On today's date, Herriman Police Department investigators followed up on a tip that came due to the media coverage. The tip led investigators to a residence in Kearns. Investigators were able to recover the stolen trailer and the equipment that was inside. The trailer and equipment have been returned to the owner. This investigation is still ongoing and no further information will be released at this time.

We appreciate the community members that assisted us with this investigation and the media outlets that helped with reporting on this case.
