

QUESTAR APPLICATION/ DEFERRED SUBMITTALS

NOTICE

Attention all Builders and Contractors:

Beginning May 1, 2008, for all new single family dwellings and commercial buildings the Herriman City Building Department will require a copy of your application to Questar to be provided to the Building Department office **prior** to requesting a rough 4-way inspection. This can be faxed to 838-9073, or emailed to building@herriman.org, or brought into the office or mailed. Be sure to clearly identify the project with the permit number and the address or subdivision and lot number.

Also, any deferred submittal items from plan review (trusses, gas line, engineered fixes, etc.) must also to be submitted to our office **prior** to requesting a rough 4-way inspection.
