- For detailed event info, visit [pp.infinitecycles.com](http://pp.infinitecycles.com)

# EVENT details

Riders of all ages and abilities are invited to decorate their bikes for the Bike Parade. Age-division races will start immediately following the parade. Prizes will be awarded. Riders are required to wear helmets.

The Unified Police Department will host a bike rodeo where children are taught bike safety while riding on a fun obstacle course.

Trained volunteers will be on hand to check the fit and safety of your child's helmet. If a new helmet is needed, one will be provided while supplies last. A Pre-event helmet check is from 9-9:30am to ensure riders have helmets for parade and races.
