

Bethany and her husband, Stan, have lived in Herriman for eleven years and have four children. She is currently employed by Unified Police Department as a local crossing guard.

Bethany has a passion for volunteerism. For the past eight years she has been a volunteer leader for Be Ready Herriman, the city's emergency preparedness and response committee. She has participated in active citywide responses to fires, floods and missing persons alerts, as well as training sessions and neighborhood drills that have helped local residents increase their preparedness.

From 2013-2014, Bethany was the PTA President of Silver Crest Elementary, and is currently serving her second term on the school's community council. She believes in ensuring that all children have opportunities for success, joy, and safety.

Bethany is running for city council because she wants to uphold Herriman's neighborly culture. It is our family-friendly community and open spaces that draws people to Herriman. Bethany is an advocate for returning to more open spaces and encourages growth that is conducive to our community's values and objectives.

Bethany cherishes time spent with her family, and enjoys all things outdoors--especially golfing, hiking and camping. She also enjoys playing the piano and singing. A native of Star Valley, Wyoming, Bethany attended Utah State University, and is currently a part-time student at Utah Valley University completing an Emergency Management degree.
