

future!

Jared loves living in Herriman along with his wife of 17 yrs and 3 wonderful children. Since moving to Herriman, Jared has volunteered his time, energy and resources to change the direction of Herriman's growth. Jared was taught the values of hard work, respect for others, and honoring commitments.

Some of Jared's qualifications include:

- Degree in Finance, University of Utah
- CFP, Certified Financial Planner
- Vision of Herriman's future reflecting "Responsible Growth"
- Proven Leadership
- Passionate about planning for the

Jared answered the call for leadership when he realized he was one of only 9 homeowners who received a notice regarding a proposed 300 acre high density development. He quickly spread the information to other homeowners through email, meetings, and door to door visits/flyers. He also organized homeowners and worked directly with the City and developer to find solutions that would work for everyone.

The result was a 22% reduction in building units, zoning safe guards for the existing homeowners, design guidelines and a fundamental shift in the direction of Herriman's growth.

Jared continues to lead this group who remain committed to working for "Responsible Growth" in Herriman.

We can make a difference!
