Council Corner

Two New Traffic Signals Coming Soon

Herriman continues to grow, and we do our best to keep up with increasing demands on our infrastructure. As additional residents are welcomed to be a part of our Herriman community, we naturally see more use of our roadways. But as vehicles are not the only users of Herriman streets, we also regularly evaluate ways to increase pedestrians' safety—especially for our schoolchildren.

To help accommodate increased traffic and children's safety, we approved two new signals in the March 23rd City Council meeting. A full stoplight will be installed at the intersection of Real Vista Drive and Sentinel Ridge Parkway, and a pedestrian HAWK (high-intensity activated crosswalk) beacon will be located at River Chase Road and Rosecrest Road above an existing crosswalk. Both signals are anticipated to be completed this summer.

Additional traffic signals are on the City's short-term radar (at least short-term in the engineering world). Either this fall or in the spring of 2023, we'll see the installation of a new stoplight at the intersection of Juniper Crest Road and Mount Ogden Peak Drive/Patriot Ridge Drive. This is a location that residents have often asked to have a signal, and we're excited to see it come in. In the next five years, plans for added traffic signals are currently anticipated in the following locations:

- Real Vista Dr/Mountain View Corridor (2025)
- Herriman Rose Blvd/Ft. Herriman Pkwy (2026)
- Herriman Blvd (12600 South)/6400 West (2027)
- Miller Crossing/Main Street (2027)

Traffic signals come at a significant cost—between \$200,000 and \$300,000 each. With careful planning between the City budget and the Transportation Master Plan, while factoring in state regulations and requirements, the City is mindful of accommodating growth and expending funds in the right place at the right time. If you have concerns or questions, please feel free to reach out to us. As Herriman grows, we do our best to maintain safety and quality of life as we welcome new residents to our city.

Community Garden

In February, Herriman City conducted another CERT Hands-On training three-day course for several residents to complete the CERT certification. The certification is recognized in every city and county across the U.S. that has an active CERT program. Other community members can qualify for the CERT Hands-On training by completing prerequisite training online accessed by scanning the QR code below. For more information about CERT, please email CERT@Herriman.org or MReid@herriman.org.

George Laurie, Rick Bills, Frances Burgeson, Brett Burgeson, and Suzanne Williams (left to right) shown after completing their CERT Hands-On training.

Emergency Preparedness Survey

The purpose of this survey is to gather statistical data from families within the community and to increase your awareness of areas of emergency preparedness. You can perhaps find ways to be better prepared to help your family, and the larger Herriman community can be more ready in case of an emergency or disaster.

This newsletter edition does not have answers provided. However, a **printable, digital version** can be found at www.herriman.org/be-ready-herriman or by scanning the QR code to the right. A **fillable online form version is available at the same page if you are willing to assist Herriman City** in knowing which areas are most needed for emphasis and education. You are invited to periodically fill out this survey to continually assess your and your family's emergency preparedness.

Food and Water

In the event of an emergency, would you have sufficient food? Would you have sufficient water for drinking, cooking, and sanitary needs? If the emergency lasted:
3 days 2 weeks 1 month 3 months
6 months 9 months 1 year

Would you have the means to cook food without gas and electricity?

Do you have a supply of clothing and blankets suitable for all cold weather conditions, such as going weeks without heat?

Are you able to make complete meals with your food storage with any needed recipes or instructions in your food storage?

Does your food storage contain whole grains?

Do you have a wheat grinder that you can use without power?

Do you have emergency pet supplies, such as food and other important material set aside for your pets?

Do you have a rotation system in place to make sure clothing still fits and food doesn't expire?

Facilities and Drills

Without electricity and gas, do you have a way to heat at least part of your home?

Do you own a generator capable of supplying power to your most important appliances (fridge, heater, etc)?

Do you have a supply of fuel such as propane, wood, kerosene, or charcoal? Would your supply last:

3 days 1 week 2 weeks 1 month
3 months Longer than 3 months

Has your family rehearsed fire escape routes from your home?

Does your family know what to do before,

during, and after an earthquake or other emergency situation?

Do you have all heavy and hanging objects (especially over a bed) secured in a way that will prevent them from falling during an earthquake?

If a water line was to rupture during an earthquake, do you know how to shut off the main water line to your house as well as the individual ones in the bathrooms and kitchen?

Do you know where the main gas shut-off valve to your house is located? Is the tool to close off the valve near the main gas shut-off in an easily accessible place? *(*If you need to practice this don't actually do it, as closing it would require the gas company to come and turn it back on)*

Do you have working smoke alarms in the proper places to warn you of fire?

Do you have a working fire extinguisher that you know how to use?

Do you have working carbon monoxide detectors in the proper places to warn you of carbon monoxide poisoning?

Emergency Supplies and Clothing

Do you have a 3-day/72-hour emergency pack for each member of your family that is ready to go?

If yes, does each kit or bag include sturdy shoes, a working flashlight or LED headlamp, heavy-duty gloves, 3 long shelf-life waters, a safety blanket, contact card, and emergency instruction card?

Would you need a carrier with wheels or help to transport these 3-day packs for your family?

Do you have a backup charger for your phone, such as a solar charger or an external charger?

Do you have a plan for toilet facilities if there is an extended water shortage?

If you need feminine hygiene products, do you have a month's supply on hand for everyone in the household who needs them?

Do you have supplies to filter or treat water from a questionable source (bleach, water purification tablets, etc.)?

Do you have work gloves, tools, tape, and plastic to cover broken windows if windows should break and you need to cover openings for security and to minimize heat loss?

Do you have access to a battery-operated light or an operational flashlight in rooms other than bedrooms? (The use of candles is not recommended in case of leaking gas.)

Do you have a functional emergency radio you can use during a power outage to receive emergency information?

Do you have a first aid kit in your home, cars, and workplace?

Communications

Have you established an out-of-state family or close friend contact that you would call in the event of a statewide emergency or somewhere you can stay if you need to vacate your home?

Do you have copies of important information and documents in a fire-safe location ready for evacuation (such as banking info, passports, social security cards, birth certificates, medical documents, will, insurance info, deeds, and titles)?

Finance

Do you have access to cash in an emergency?

Medication

If you need medications, do you have a month's supply on hand?

Do you have a current list of all medications and dosages needed for members of your household?

WELCOME TO HERRIMAN!

Through the first quarter of 2022, Herriman welcomed three new businesses with ribbon cutting celebrations.

K9 MEMORIAL DOG PARK

5075 WEST HERRIMAN MAIN STREET

Opens
April
15th

Herriman City is so excited to finally welcome you and your four-legged friend to the Herriman K9 Memorial Dog Park! A dog park has always been a highly requested amenity among the Herriman community. In order to meet this desire, a dog park was approved for construction along Herriman Main Street. Additionally, this park was designed to also serve as a permanent tribute to police K9s – particularly K9s Dingo and Hondo, who each gave their lives in the line of duty while serving Herriman. On November 18th, 2020, ground was broken on the new park with

construction starting shortly after. Over time, construction wrapped up — with the exception of the grass, which was given extra time to ensure its proper growth — paving the way for the official opening on April 15th, 2022.

To ensure a safe and healthy environment for all dogs who visit the park, users will be required to abide by various rules. Some of these include all dogs being at least 4 months old, up to date on vaccinations, and licensed with Herriman City or another city or county agency. Additional rules and regulations can be found by scanning the QR code to the right.

Get Ready to Shake Out.

Participating in mock earthquake drills is a great way for you and your family to prepare to survive and recover quickly from a large earthquake wherever you live, work, or travel.

Take the first step to preparation by visiting shakeout.org/utah for information, tips, checklists, and more!

April 21

The Great Utah
Shake Out

COMMUNITY GARDEN REGISTRATION NOW OPEN!

Space is limited. Learn more and register at Herriman.org/communitygardens

Harvest Your Rain

Purchase a discounted rain collection barrel through the Utah River Council's annual RainHarvest program. Water collected can then be used to water your lawn, garden, flowers, and indoor plants.

It is estimated that between 15,020 - 22,940 gallons of rainwater fall on a Salt Lake County house during the spring, summer, and fall. Incorporating rainwater harvesting practices would significantly help water conservation.

Learn more and purchase your harvest barrel at utahrivers.org/rainharvest.

BUSINESS LICENSING CHANGES

To help alleviate businesses' financial stress due to the COVID-19 pandemic, the City had suspended all business license renewal fees.

Starting May 1st, 2022 business licensing fees will return to their previous costs. Email Sandra at slllewellyn@herriman.org with any questions.

NATIONAL POLICE WEEK

MAY 15 - 21

THANK YOU

TUESDAY, JUNE 21
BUTTERFIELD PARK

KIDS FUN RUN - 6:30 PM
5K - 7:00 PM

REGISTRATION NOW OPEN AT
HERRIMAN.ORG/YETI-RUN

A TALE OF TWO CROSSWALK TYPES

SCHOOL ZONE CROSSWALK

(typically zebra striped)

A driver must wait for a pedestrian to cross the entire crosswalk, both sides of the road, before proceeding.

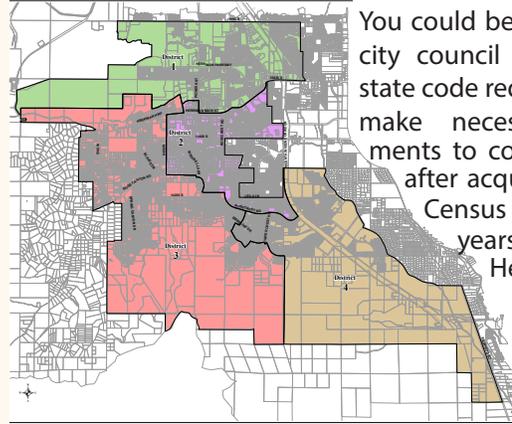

STANDARD CROSSWALK

(typically parallel solid line striping)

A driver must wait for a pedestrian to cross one side of the road before proceeding.

Adjusting Council Districts

You could be in a different city council district. Utah state code requires cities to make necessary adjustments to council districts after acquiring the U.S. Census data every ten years. This forced Herriman City Council to establish new boundary lines,

impacting some residents. Visit www.herriman.org/gis to view the interactive approved district map.

Wellbeing Survey

USU's Utah Wellbeing Project has partnered with many cities and towns throughout Utah to conduct a public wellbeing survey. Herriman City encourages you to take 10 minutes to provide your feedback. You must be age 18+. Disponible en Español. Please share with others in your household and the Herriman City community. For more information, you can contact Dr. Flint at courtney.flint@usu.edu.

Take the survey: <https://tinyurl.com/Herriman2022>

Cut out this card, write a thank you to HPD, and turn it into the customer service desk at City Hall (5355 W Herriman Main St), and it will be presented to the department during National Police Week, May 15-21.

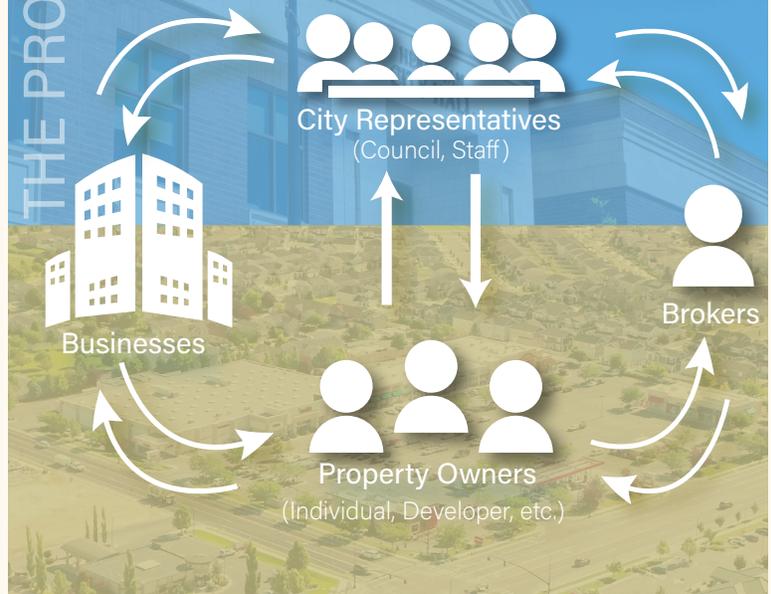

THANK YOU

COMMERCIAL BUSINESSES

Businesses may be approached but are not forced to open in the city.

The City, property owners, and businesses may all work through brokers.

Ultimately, the property owner has the final decision as to which business they choose to work with. Requests to the City cannot be denied if the business fits within the zone of the property.

GOV101

We Are Herriman: A Community Pride Campaign

Herriman City recognizes individuals for their contributions to the community culture, sharing the good work that they do. We are defined by those who make up this community. We Are Herriman. *Submit nominations to communications@herriman.org*

Providence Hall Dance Team

Providence Hall High School's dance team recently competed in the 3A pom/dance division for only the second time and came home as the champions. Despite the many challenges and detours, they took along the way, the 10 girls worked hard together and made adjustments when and where needed. "Providence Hall may be young and small, but we are mighty. We have arrived," coach Melanie Hiatt stated during a recent City Council meeting as the team was recognized. "The 3A division sees us, we are not going away. We will continue to work hard to not only build beautiful dancers but to build thriving young people...to cultivate students who think critically, communicate effectively, and act responsibly."

Congratulations, Patriots' dance team on an amazing job. Well done and well deserved!

Mountain Ridge Wrestling Teams - Boys and Girls

Mountain Ridge High School's wrestling teams both placed in the top 10 overall in the 6A state tournament. The girl's wrestling team finished in 4th place with the boy's team coming in at 6th. This was a very successful inaugural season for the girl's team. Six of the 13 girls, most of which were first-year wrestlers, placed at state this year. The boy's team won first place in their region in their first year in the 6A division. These wrestling teams are more than good wrestlers, they are great students who want to be good individuals and make a difference in the community. "Through hard work, determination,

team grit, and forming a great team atmosphere where they could have fun and lean on each other for support, they were able to establish themselves as one of the best teams in the state," said the girls wrestling coach. Both coaches and athletes look forward to great things to come next year. Congratulations to both Mountain Ridge wrestling teams on the hard work you have put in to making this year memorable.

K9 COMPETITION HONORS

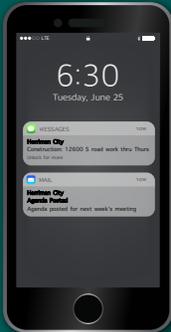

Sergeant Ricks and K9 Daavo competed in the 30th annual Las Vegas Metropolitan Police Department K9 trials on March 30th. By the end of the day, the pair brought home four awards, including first place in tactical obedience, first place as the top dog in narcotics, second place in building narcotics, and second place in vehicle narcotics. Everyone is proud of this dynamic duo, especially Daavo for performing so well in his first competition.

Shop Local Business Spotlight Tonyburgers

It all started with a simple question: is a burger just a burger? Are all hamburgers created equal? Tonyburgers founders Chris and Nicole, didn't think so, because occasionally (often in unexpected places) they had tasted burgers that were truly great—juicer, tastier, more fulfilling to the body and the soul!

To find out why they decided to go on THE GREAT BURGER QUEST. It took them all over the nation. The quest became an obsession. What makes the difference? There was only one criterion—TASTE. But when they found a good one, the research started.... the freshness of the bun, the make-up of the meat, and exactly how it was cooked. They tried everything, and they found that the keys were total freshness and mixing different cuts of beef in exactly the right percentages.

Given their newfound knowledge, in 2009 they opened the first Tonyburgers (named after Chris' brother) in Centerville. But they weren't done! Their quest to find the best went beyond burgers to fries and again, there were no shortcuts. The best fries had to be hand-cut from fresh potatoes daily and cooked twice in just the right blend of oil.

The newest location of Tonyburgers is located here in Herriman at 11946 Carlsbad Way. "We're so glad this worked! It hasn't been easy, but it's been SO worth it," said Nicole. "Tonyburgers means everything to us. We hope that comes across in the way we treat our employees and the food we serve our customers."
