### CITY COUNCIL

**Mayor: Lorin Palmer**

After a long, wet winter, we are finally feeling the warmth of the spring and summer sun. This is one of the times of year that Herriman really shines, buzzing with activity on our hiking and biking trails, parks, and playgrounds (after Memorial Day, splash pads too!). All are welcome to enjoy these wonderful amenities.

We're eagerly awaiting our busiest event season. The Fort Herriman PRCA Rodeo is on June 2-3, and Fort Herriman Towne Days will run June 19-24. The Hungry Herriman food

truck roundup is every Monday evening at Crane Plaza (paired with the Farmers Marketplace starting in June). Details for all City events can be found at [www.herriman.org/events](http://www.herriman.org/events). Other community events color the calendar as well, including those of the *Friends of Herriman* (advertisements included in this newsletter) and other groups. There are activities for everyone!

The City also has several projects under way with the widening of Main Street, stormwater line work in Hamilton Farms, street repair from wintertime potholes, park maintenance, and much more. New businesses are also popping up, and the first building of the Salt Lake Community College Herriman campus is nearing completion. It's an exciting time!

With warmer weather comes the irrigation season as well. Despite the record-setting winter, we still have a long way to go until Utah's drought conditions are fully diminished, so continued water conservation is crucial. Most water consumption in Herriman is from landscape irrigation. We encourage you to only water your lawn much as your grass needs. Many homeowners have learned in recent years that grass doesn't need as much water as they previously thought. Please do your part to conserve water, and together, we can make a significant impact.

Enjoy basking in the warm weather, playing outside, and saying hello to your neighbors. We hope that you have a wonderful summer season filled with fun, relaxation, satisfaction, and joy.

## Mountainview Plaza Approved

The City Council recently approved a master development agreement for Mountainview Plaza, which will be located adjacent to the Auto Mall between Main Street and Mountain View Corridor.

The property was originally slated to be the home of the *Game Pointe* family entertainment center, but due to factors of the the COVID-19 pandemic, the project was unable to move forward. Instead, the City and the developer collaborated on new ideas, coming together on what will still be a vibrant destination in the northern part of Herriman. The project will feature several buildings that can host restaurants, shops, office space, and family entertainment. The developer and City worked to carefully craft an attractive gathering place that will surely be a feature of our city.

## BUILDING SAFETY MONTH

MAY IS BUILDING SAFETY MONTH. THIS YEAR'S THEME IS BUILDING SAFETY: IT STARTS WITH YOU! THE FIRST PLACE TO START IS UNDERSTANDING BUILDING CODE.

BUILDING CODE IS A SET OF STANDARDS USED BY ENGINEERS, ARCHITECTS, BUILDERS, INSPECTORS, AND OTHERS TO MAKE SURE BUILDINGS WHERE WE LIVE, WORK, AND PLAY ARE SAFE. IN THE U.S., BUILDING CODE BEGAN AS A RESPONSE TO DISASTERS SUCH AS THE CHICAGO FIRE OF 1886 AND THE 1906 SAN FRANCISCO EARTHQUAKE, AND EVEN AS AN ANSWER TO THE RISE OF THE INSURANCE INDUSTRY IN THIS COUNTRY.

THE BUILDING DEPARTMENT WORKS EACH DAY TO KEEP OUR CITY SAFE. THIS YEAR'S BUILDING SAFETY MONTH FEATURES WEEKLY THEMES, EACH FOCUSING ON DIFFERENT ASPECTS OF BUILDING SAFETY AND CODE. SCAN TO LEARN MORE!
