A Time to Gather
Mayor Carmen R. Freeman

Some of my fondest memories growing up in Herriman were attending the community events held each year. Whether it was our community breakfast on Memorial Day weekend or our community celebration held each summer, they were guaranteed to elicit a spirit of friendship, unity and appreciation as we gathered together to rekindle friendships, make new acquaintances and to enjoy our activities together. In many ways, it was a time of reflection, reunion and synergy. Though our numbers were rather small when compared to the Herriman we know today, those special moments of joy, love and togetherness we felt as a community will be forever etched in my heart and serve to strengthen my love and appreciation for this wonderful community.

It is from these memorable and heartwarming experiences as a youth I have come to know the value and influence community events can have in the hearts of our residents. Just like the early days of our community, such events can be building blocks to greater understanding, friendship and solidarity.

As we seek to encourage and embrace these community values, may I mention a number of summer events we will be hosting this summer. Each event is promised to be a joyous occasion that will gladden the heart and strengthen our community spirit.

Fort Herriman PRCA Rodeo – June 5th & 6th
This prestigious event guarantees spectators a fun-filled evening witnessing some of the best rodeo stock, cowboys and cowgirls, the association can offer. Arrive early because you won’t want to miss the Pre-Rodeo Kiddie Korral and Mutton Bustin. Herriman City is also proud to present the 2nd Annual Special Needs Roundup where adults and kids with special needs are invited to join us for an afternoon of fun-filled activities centered in rodeo action.

Fort Herriman Days – June 19th & 20th
This event is an opportunity for all of our residents to gather at the W & M Butterfield Park and celebrate our culture, heritage and community. On Friday evening there will be a car show, carnival rides and fun activities. Early Saturday morning our festivities will begin with a one mile fun run, 5k run and 10k trail run. Later in the morning we will host a “Kids on Wheels” parade followed by our traditional parade. Following the parade, there will be booths, games and carnival rides. Saturday evening you can sit back and enjoy the music of Nathan Osmond followed by a spectacular firework display.

Cinema in the Park – June 19th & August 7th
This is a wonderful opportunity to bring a blanket and stretch out on the grass at the W & M Butterfield Park and watch a movie on the big screen with friends and neighbors. This year we will be showing How to Train Your Dragon 2 and Big Hero 6.

Summer Theatre Production – July 3-11, 13-14, 16-18 & 20th
One of the highlights to our summer events is watching a play from our community theatre under the direction of the Herriman City Arts Council. This year they will be performing the hit musical Beauty & the Beast. This classic retelling will be filled with fun, laughter and wonderful music which will instill in the hearts of those who attend such virtues as love, kindness, respect and forgiveness.

Like the early days of my childhood, these summer events will generate a host of fond memories and invite a spirit of friendship and bonding within our community. I invite you to come and participate in these events that celebrate our community and spotlight who we are. This is our community, a place we each call home and these are special moments of reflection, reunion and synergy. Truly, it’s A Time to Gather.
