City Council Meeting
- June 21

May is the kick-off to a busy spring and summer season for Herriman City officials, staff and volunteers. We would like to highlight the many city events, city budget, and emergency preparedness efforts underway.

Economy: Do you want to teach your children about bicycle safety, will you be watching backyard barbecues, or are you admitting antique auto’s this year? These events and more are planned for our residents this year.

We just completed another successful - yet rainy - Enduro Challenge. The stormy rainy conditions added a level of difficulty for the riders while entertaining the many spectators who cheered the elements. Our Healthy Herriman, aided by our Unified Police Department (UPD), will again sponsor Pedal Palooza to raise awareness about bicycle safety. You will find your elected officials, city staff, UPD and Unified Fire Authority as well as our friends from the Police Department and Volunteer Fire Department at our Memorial Day Breakfast. A brief, meaningful Memorial Day program, held at the Herriman City cemetery, will help us remember the sacrifices made for our freedoms.

The TRCA roadies, held the first weekend in June, require many volunteer hours and staff preparation. We are grateful for the volunteers, including our Youth Council, who give their time for this event and all other city functions. We will hold our second annual Special Needs Roadie the afternoon of Saturday, June 9th, to allow individuals with disabilities to enjoy the animals and activities associated with a rodeo. Our events team has activity sought ways to promote accessibility for all our residents and we’re grateful for their compassion and dedication.

Herriman City 2015-2016 Budget Hearing
The City Council would like to invite residents to attend the upcoming budget hearing that takes place during the general City Council Meeting in May.

The public hearing on the tentative budget will be held May 23rd with the final adoption on June 10th, meetings at 7:00 p.m.

Ordinance Reminders
- Dave Williams, Code Enforcement Officer

The weather is warming and many residents will be active, spring cleaning, yard work, landscaping and putting up their sprinkler systems. Herriman City ordinance does not permit the placing or storage of dirt, rocks, gravel, sand, sod or other similar materials in the gutter, street, sidewalk or any other public right of ways.

It is also yard/garage sale season. As a reminder, no signs are allowed on public property, attached to light or utility poles or in the park strips. Yard/garage sale signs must be on private property and on their own stand/post, etc.

HERRIMAN TRAILS
Herriman City has more than 34 miles of trails and 141 acres of native open space throughout our City. We encourage our residents to take advantage of these trails while remembering to abide by the Trail Rules:
- Certain trails are for biking and hiking only.
- Horses are not permitted on pedestrian-only trails.
- No pets allowed.
- No motorized vehicles.
- No littering.
- No fires.
- No smoking.
- No camping.
- No standing.
- No camping.
- No use of alcohol.

Congratulations
Congratulations to Herriman Youth Council member, Marina McNiel for being named one of the top volunteers in Utah for 2015 in the annual Prudential Spirit of Community Awards. She will be recognized at the City Council meeting on May 23rd.

Area Cleanup
Reminder: residents should not place containers throughout the neighborhoods for the area cleanup program. These will continue to be collected until May 29th.

CANDIDATE FILING PERIOD FOR THE 2015 MUNICIPAL ELECTIONS

There will be a municipal election on November 3, 2015, for the following offices: Two (2) City Council positions (four-year terms, January 2016 to January 2020), Positions will be elected from Council Districts one (1) and four (4). The candidate filing period is between June 1 and June 7, 2015. Because June 7 falls on a Sunday, the filing period will be extended to 5:00 pm on Monday, June 8th. Interested parties may file for office in person with the City Recorder at the Community Center located at 2011 South Founse Street during normal office hours. The Declaration of Candidacy Application can also be found on the City’s website at www.herriman.org. A non-refundable filing fee of $25 is required at the time of declaration.

The qualifications requirements for municipal offices are:

1. Must be a United States citizen
2. Must be a registered voter in Herriman City
3. Must be at least 18 years old at the time of the next election
4. Must be a resident of the current Council District in Herriman City for 12 consecutive months immediately preceding the date of the election
5. Any mentally incapacitated person, any person convicted of a felony, or any person convicted of treason or a crime against the electorate franchise may not hold office in this state until the right to vote or hold elective office is restored, as provided by statute.

If more than two candidates file for each position, a primary election will be held on Tuesday, August 11th. The general election will be held on Tuesday, November 3rd. To inquire about additional information please contact the City Recorder’s Office at (801) 466-5233 during regular business hours.

Water Conservation

Though the rain has poured from the sky the last few weeks, drought conditions remain due to the dry winter. Low snowpack totals and below average reservoir levels leave us contemplating the best way to get through the summer months that lie ahead. That means water conservation... The Jordan Valley Water Conservancy District has set a goal to reduce water use by 25% by the year 2025. By using water resources more wisely we will not only conserve water, but conserve energy. Residents are encouraged to water their lawn between the hours of 6:00 pm and 9:00 am. While switching sprinkler systems to manual mode watering only as needed. Keep informed about outdoor watering advisories by logging on to www.owm.org/guide. Learn ways to be more waterwise while maintaining a beautiful landscape, through community classes offered at the Conservation Garden Park located at 8275 South 1380 West in West Jordan. Herriman Hills Initiative Moves Forward

The Herriman Trails Committee presented the City Council with a stack of 1,680 signatures in support of the Herriman Hills Open Space Initiative on April 22nd. The presentation marked a historic moment in the state of Utah as the first citizen initiative to successfully get on the ballot. With the help of dozens of resident volunteers, the Trails Committee was able to generate support and acquire far more than the 1,255 necessary signatures to secure its placement on the ballot during the upcoming election in November. The 2015 election will be by mail-in vote. Registered voters should receive ballots by early September.

When deciding how to vote on the Herriman Hills Initiative, consider these points:

1. The 57 monthly fee ($84.00) per household is required over 20 years. The funds can only be used to purchase and maintain the mountain. The City can never use the land for residential or commercial development.
2. No property rights are infringed with the initiative. Landowners may choose not to sell their land, or they may choose to sell to developers. The initiative simply allows Herriman the opportunity to purchase and maintain properties as they become available. Some landowners have expressed an interest in selling to the city.
3. Residential development on the hillside would require sewer, water, electricity, and roads that are not currently in place. The City has pointed out the high cost of infrastructure and the continued maintenance necessary for any type of residential development on the hillside, stating it would not be a consideration amount more than the fee proposed by the initiative. The Open Space initiative would save both costs and the mountain.
4. Passing the initiative has the potential to almost instantly double or even triple our money. The City is actively pursuing various funding opportunities, all of which require matches.

The Trails Committee is willing to answer questions and concerns about the Herriman Hills Open Space Initiative. They can be reached at herrimantrails@gmail.com.
