

Introducing LocalMatters

Online and Mobile Service Request System for Herriman City Residents

LocalMatters allows residents to identify issues and report those service requests directly to Herriman City. Residents can upload a photo or video of the concern and mark the geographic location on a map. Each request is provided a unique tracking number so the user is able to see when action is taken.

A smartphone is not required in order to use LocalMatters, since service requests can also be made online using LocalMatters at www.herriman.org

The next time you see a pothole or any other concern, LocalMatters is just a screen tap away.

For more information, go to www.herriman.org/localmatters

Step by Step

1. See an issue.
2. Snap a photo.
3. Select the location.
4. Select issue from list.
5. Submit it.
6. Track it.

Submit online at www.herriman.org or with your smartphone
