## **Herriman City Announces Inaugural Officer Swearing-In Ceremony**

**HERRIMAN, Utah**—On Thursday, September 27<sup>th</sup> the Herriman Police Department will hold their Inaugural Swearing-In Ceremony. This ceremony presents Herriman City with 35 new officers who will take the oath of office as they pledge to serve the community under the newly formed Herriman Police Department.

In July, Herriman City selected Troy Carr to serve as the Herriman Police Chief. Chief Carr was charged with the difficult task of forming a highly qualified police department from the ground up in a four-month time frame.

“I am honored to have the opportunity to present this group of incredibly advanced individuals as the future public safety servants of Herriman City,” Carr said. “Though our preparation time was limited, the proper foundation has been formed with a group that is excited to build a culture dedicated to ensuring the safety needs of the community are continually met.”

With leadership and officers hired from six departments across the state, the Herriman Police Department is ready to fully-operate with a forward thinking mentality. This newly established department is eager to meet the increasing needs of the rapidly growing Herriman area.
