FOR IMMEDIATE RELEASE: June 12, 2019

UPDATED: Motorcycle Crash at 5630 W. Roe Deer Lane

HERRIMAN, Utah

On Friday, June 7th, 2019, at approximately 12:07am, the Herriman Police Department responded to a motor vehicle crash at the above location involving a motorcycle. Immediately following the crash, the operator of the motorcycle was flown via medical helicopter to an area hospital in extremely critical condition. The motorcycle operator was the only person involved in the crash. The motorcycle operator is identified as Chase R. Ostler, age 34, of Herriman.

We are saddened to provide notification that Chase was removed from life support and passed away yesterday afternoon.

The investigation into this crash is still on-going. While we cannot provide detailed answers to many questions at this time, we are investigating alcohol impairment, excessive speed, and failure to wear a helmet as contributing factors in this crash. The elimination of any one of those factors may have saved Chase’s life.

We highly urge the use of an approved helmet and other safety equipment for any operator or passenger of a motorcycle, and would ask that all drivers operate at a safe and prudent speed and never drive impaired.
